To: Executive Board

Subject: San Gabriel Valley Park and Ride – City of Industry

---

## Recommendations

1. Authorize the Executive Director to amend Agreement No. 11-038 with Walker Parking Consultants for Phase II Parking Design Services for the Industry Park and Ride in the amount of Five Hundred Fifty Four Thousand Four Hundred Forty Dollars (\$554,440);
2. Provide direction on the design element of the Park & Ride structure; and
3. Authorize the Executive Director to issue an Invitation for Bids (IFB) for the construction of the Industry Park & Ride.

## Background

On August 12, 2011, the Federal Transit Administration issued a Categorical Exclusion for the Industry Park & Ride project, satisfying the environmental requirements under the National Environmental Policy Act.

Categorical Exclusions are actions which do not involve significant environmental impacts. They are actions which do not induce significant impacts to planned growth or land use for the area; do not require the relocation of significant numbers of people; do not have a significant impact on any natural, cultural, recreational, historic or other resource; do not involve significant air, noise, or water quality impacts; do not have significant impacts on travel patterns; or do not otherwise, either individually or cumulatively, have any significant environmental impacts.

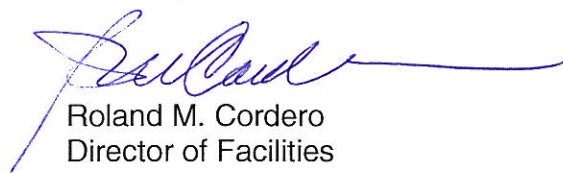

In order to move forward with the design and development of the Industry Park & Ride Project, Foothill Transit will need to amend its existing Agreement No. 11-038 with Walker Parking Consultants for Phase II Parking Design Services. Phase II scope of work involves developing design documents for the parking structure and site improvements, construction documents, bidding assistance, construction administration support, design development review, and construction document review.

Upon completion of the final design plans, issuance of an IFB for construction services will be required. Construction is estimated to be completed 11 months after procurement and award of a construction contract.

## Fiscal Impact

The approved Fiscal Year 2012 Business Plan includes funding for the San Gabriel Valley Park and Ride Project.
